

# College Annual Report

## (2024-25)

### 1. Introduction

The academic year 2024-25 at Aurora's PG College (MCA), Uppal, Hyderabad, has been marked by significant achievements, collaborative efforts, and a shared commitment to academic excellence. This report encapsulates the college's journey throughout the year, highlighting the vital contributions of our management, faculty, staff, and students. Together, we have fostered an environment of learning, growth, and community engagement.

### 2. Programs Offered and Student Enrolment

Aurora's PG College (MCA) is dedicated to providing comprehensive educational programs tailored to equip students with the necessary skills for a competitive business landscape.

- **Programs Offered:**

The college offered the following postgraduate programs in this academic year:

- **Master of Business Administration (MBA):** A two-year full-time program focusing on core business disciplines.
- **Master of Computer Applications:** A two-year full-time program focusing on core computer applications.

- **Intake:**

The total intake for the academic year was 300 students for MBA program and 180 for MCA program, reflecting the college's robust infrastructure and reputation.

- **Students Enrolled:**

The college proudly reports an enrolment of 390 students, demonstrating a strong demand for our programs and a commitment to academic rigor.

### 3. Certification Courses and Internships

- **Percentage of Students Enrolled in Certification Courses:**

424 students enrolled in certification courses during the year, significantly enhancing their skill sets and employability prospects in a competitive job market. This focus on continuous learning aligns with industry demands and prepares students for future challenges.

- **Percentage of Students Undertaking Project Work and Internships:**

About 628 students actively participated in project work and internships, providing them with valuable practical experience. These opportunities allow students to apply theoretical knowledge in real-world settings, fostering their professional growth and readiness for the workforce.

### 3. Academic Performance

- **Pass Percentage of Students:**

The college is proud to report an overall pass percentage of 97.4% in MBA and in MCA, showcasing the dedication and hard work of both faculty and students. This high success rate is a testament to the effective teaching methodologies and supportive learning environment provided at Aurora's PG College (MCA).

### 4. Research and Grants

- **Grants Received:**

The college successfully secured grants totalling ₹1.50 lakhs from both governmental and non-governmental agencies for various research projects and endowments. This funding supports our faculty and students in conducting impactful research that contributes to the academic community and society at large.

- **Workshops/Seminars/Conferences Conducted:**

A total of 29 workshops and seminars were organised throughout the academic year, focusing on critical topics such as Agile Methodology and Quality Engineering, AI Innovate, Research Methodology, Intellectual Property Rights (IPR), Entrepreneurship, Computer Applications, etc.

## 5. Research Contributions

- **Research Papers Published:**

Faculty members published a total of 20 research papers per teacher in peer-reviewed journals, reflecting their commitment to advancing knowledge in their respective fields. This scholarly activity not only enhances the institution's academic reputation but also encourages a culture of research and innovation.

- **Books and Chapters Published:**

Faculty also made significant contributions to academic literature by publishing 2 books and several chapters in edited volumes. This demonstrates their expertise and commitment to sharing knowledge with the wider academic community.

## 6. Community Engagement

- **Extension and Outreach Programs:**

The college conducted 5 outreach programs throughout the year, emphasising community service and engagement. These programs included initiatives such as:

- Environmental awareness campaigns.
- Skill development workshops for local communities.
- Health camps providing free check-ups and consultations.

- **Functional MoUs:**

We established 23 functional Memorandums of Understanding (MoUs) with various industries and academic institutions. These partnerships facilitate

collaborative research, internships, and knowledge exchange, enriching the academic experience for our students.

## **7. Scholarships and Awards**

- **Students Benefited by Scholarships and Freeships:**

Over 255 students benefited from scholarships and freeships, promoting inclusivity and access to quality education. This support system encourages talented students from diverse backgrounds to pursue their academic goals without financial constraints.

- **Capacity Development Activities:**

Various capacity development and skills enhancement activities were conducted, benefiting 219 students. These activities included workshops on soft skills, leadership training, and technical skills, equipping students with essential competencies for their careers.

- **Outgoing Students Placed:**

The placement cell successfully facilitated job placements for 253 outgoing students. Numerous reputable companies visited the campus for recruitment, reflecting the college's strong industry connections and the employability of its graduates.

- **Awards and Medals:**

Our students achieved 13 awards/medals for outstanding performances in sports and cultural activities. These accolades highlight the holistic development approach of Aurora's PG College (MCA), where students excel not only academically but also in extracurricular pursuits.

## 8. Participation in Events

- **Sports and Cultural Programs:**

Students actively participated in 21 sports and cultural programs, showcasing their diverse talents. Events included inter-college competitions, cultural festivals, and sports meets, contributing to a vibrant campus life.

## 9. Faculty Development

- **Financial Support for Conferences/Workshops:**

The college provided financial support upto Rs.94,000/- to 20 teachers to attend various national and international conferences and workshops. This initiative encourages faculty development, allowing educators to enhance their knowledge and bring new insights into their teaching practices.

- **Participation in Development Programs:**

A total of 64 teaching and non-teaching staff participated in Faculty Development Programmes (FDP), Management Development Programmes (MDPs), and other professional training programs. This commitment to continuous professional development ensures that our staff remains well-equipped to provide high-quality education.

## 10. Quality Assurance

- **Quality Audits Conducted:**

The college conducted a quality audit during the academic year to ensure adherence to academic standards and continuous improvement in educational practices. These audits involve comprehensive evaluations of teaching methods, student performance, and administrative processes, reinforcing our commitment to maintaining high standards.

- **Green, Energy and Environment Audits:**

The college conducted a quality audit during the academic year to ensure adherence to academic standards and continuous improvement in educational practices. These audits involve comprehensive evaluations of teaching methods, student performance, and administrative processes, reinforcing our commitment to maintaining high standards.

### **Conclusion**

The achievements of Aurora's PG College (MCA) during the 2024-25 academic year reflect the unwavering commitment of its management, faculty, staff, and students. Through collaborative efforts, we have created an environment that nurtures academic excellence, encourages research and innovation, and promotes social responsibility.

As we look forward to future endeavors, we remain dedicated to maintaining our standards of excellence and expanding our horizons in teaching, research, and community engagement. Our heartfelt appreciation goes to everyone involved in making this year a resounding success, and we anticipate continued collaboration and achievement in the coming academic year.
