ACTIVITY REPORT

Name of the Activity	Training Program on Django	
Type of Activity	Co- Curricular	
Duration of Activity	From: 15.04.2024	To: 26.04.2024
Details of Participants	MCA II Year Students	
Coordinator(s)	Faculty: Ms. S. Soni	
Organizing Department/ Support System	MCA Department in association with YBI Foundation	
Details of Resource Persons (if any)	Ms G Vasumathi	
Description (min. 100 words, include objective, outcome, etc.)	<p>Aurora's PG College (MCA) in association with YBI Foundation conducted a Training Program on Django from April 15, 2024, to April 26, 2024, aimed at equipping students with practical skills in one of the most popular web frameworks for Python. The program was designed to provide a thorough introduction to Django, focusing on both fundamental and advanced concepts of web development. The training began with an introduction to Django's architecture and its advantages for building web applications. Participants were introduced to the MVC (Model-View-Controller) pattern, Django's ORM (Object-Relational Mapping). The curriculum included detailed sessions on setting up a Django environment, creating and managing projects, and developing applications. Key topics covered included URL routing, views, templates, and forms. Students engaged in hands-on exercises to create and customize Django models, implement user authentication, and develop CRUD (Create, Read, Update, Delete) functionalities. Guest lectures from experienced Django developers provided valuable industry insights, discussing best practices, real-world applications, and career opportunities in web development. These sessions helped students understand the practical implications of their learning and the evolving trends in web technologies. Participant feedback highlighted the program's effectiveness in enhancing their web development skills and providing a strong foundation in Django. The training successfully prepared students for further specialization in web development and potential career opportunities in the tech industry.</p>

Description	<p>In order to prepare the post graduate students for challenges according to market changing environment. Aurora's PG college (MCA) held a session on Leadership and Influence. B. Venu Kumar, YBI Foundation, renowned speaker with impactful managerial experience with various organizations.</p> <p>Leadership skills and influence are pivotal in navigating the current trends within organizations. In today's fast-paced and ever-evolving business environment, effective leadership is crucial for driving innovation, fostering a positive organizational culture, and ensuring sustainable growth. Leaders with strong adaptability skills can steer their organizations through change and uncertainty. They anticipate market shifts, embrace new technologies, and encourage their team to be resilient and flexible. The rise of social responsibility and ethical considerations in business has highlighted the importance of ethical leadership. Leaders who uphold strong ethical standards influence their organizations to operate with integrity, thereby building trust with stakeholders and enhancing the company's reputation.</p> <p>In the digital age, leaders must be proficient in leveraging technology to streamline operations, improve decision-making, and deliver better customer experiences. Their influence drives the adoption of digital tools and practices across the organization.</p> <p>Leadership skills and influence are essential in guiding organizations through modern trends, ensuring they remain agile, ethical, innovative, and engaged with their workforce.</p>

Details of Resource Persons (if any)	Mr. P. Venkatesh	
Description (min. 100 words, include objective, outcome, etc.)	<p>From February 1 to February 10, 2023, Aurora's PG College (MCA) hosted a comprehensive Training Program on Data Analytics in association with NRich Solutions Pvt.Ltd., designed to equip students with the essential skills needed in today's data-driven world. Recognizing the growing importance of data analytics across various sectors, this program aimed to provide participants with a deep understanding of analytical tools and techniques. The training featured a well-structured curriculum that covered key topics such as data visualization, statistical analysis, and predictive modeling. Students were introduced to popular data analytics software and programming languages, including Python and R, enabling them to manipulate and analyze data effectively.</p> <p>In addition to technical skills, the program emphasized the importance of data ethics and decision-making, preparing students to handle data responsibly in their future careers. At the conclusion of the training, participants received certificates that recognized their newfound expertise and commitment to professional development. The Training Program on Data Analytics was a significant success, empowering students with knowledge that is increasingly vital in various industries. Aurora PG College demonstrated its commitment to providing quality education and fostering skills that enhance students' employability in an increasingly competitive job market. This initiative not only enriched the students' academic journey but also positioned them favorably for future roles in data analytics and related fields.</p>

Description	<p>Aurora's PG College (MCA) successfully conducted a Faculty Development Program (FDP) on Effective Case Study Methods for Business Education from September 11 to 16, 2023. This six-day program aimed to enhance MBA faculty members' expertise in designing, teaching, and assessing case studies. 25 faculty members from various institutions participated, engaging in interactive sessions, group discussions, and hands-on exercises. The FDP covered essential topics, including case study design, teaching methodologies, assessment techniques, and industry applications. Expert resource persons from renowned business schools and industries shared best practices, real-world examples, and innovative approaches. Participants gained insights into creating immersive learning experiences, fostering critical thinking, and developing decision-making skills in students. The program facilitated networking opportunities, promoting collaborative research and teaching excellence. The program's success is attributed to Aurora's PG College's meticulous organization and coordination. Participants praised the program's relevance, quality, and impact on their teaching methodologies. Key outcomes include enhanced faculty expertise, improved course design, and potential research collaborations. This FDP has empowered faculty to integrate effective case study methods into MBA curricula, enriching students' learning experience and preparing them for real-world business challenges. The college plans to conduct similar programs, reinforcing its commitment to faculty development, academic excellence, and industry relevance.</p>

Type of Activity	Community Service-Outreach activity
Date and Time of Activity	16.12.2023
Details of Participants	46 MBA & MCA Students Voluntarily participated in the activity
In association with	CII – Young Indians
Description	<p>On December 16, 2023, MBA and MCA students participated in a community service initiative titled "Voluntary Service in a Local Village." This outreach activity aimed to support and engage with the residents of a nearby village, addressing various local needs and contributing to community development.</p> <p>Students pulled up donations from the faculty and fellow students and presented the residents with small gifts and books for the children.</p> <p>The participation of these students highlighted their commitment to social responsibility and community engagement. By volunteering in the village, they not only provided valuable support to the residents but also gained firsthand experience in community service. This activity underscored the importance of fostering strong connections between educational institutions and local communities, demonstrating the students' dedication to making a positive impact beyond the classroom.</p>

Name of the Activity	Workshop on Group Discussion and Mock Interview	
Type of Activity	Language and Communication skill development	
Date and Time of Activity	17-04-2023	02:00 PM-04:00 PM
Details of Participants	Students from MBA and MCA , 1 st and 2 nd year	
Organizing Dept /Support System	Aurora's PG College (MCA)	
Details of Resource Persons	Mr. Rajesh Kumar, Best Insurance Services	
Description	<p>The workshop on Group Discussion and Mock Interviews by Mr. Rajesh Kumar, Best Insurance Services provided participants with practical skills and strategies for effective communication and interview performance.</p> <p>Over the course of the session, attendees first engaged in group discussions on various topics to develop their ability to articulate ideas and collaborate with others. They practiced active listening, structured argumentation, and maintaining a respectful dialogue, which are crucial for productive group interactions. Feedback was provided on how to enhance clarity, persuasiveness, and team dynamics.</p> <p>The second part of the workshop focused on mock interviews, simulating real-world scenarios to help participants refine their interview skills. They practiced answering common and situational interview questions, received personalized feedback on their responses, and learned techniques for managing interview anxiety. The session emphasized the importance of body language, clear articulation, and demonstrating relevant skills and experiences.</p> <p>Participants left with improved confidence, enhanced communication abilities, and a better understanding of how to effectively navigate group discussions and interviews. The workshop aimed to equip attendees with the tools needed to perform well in collaborative environments and stand out in job interviews.</p>

Details of Resource Persons	<p>Dr. B Sudharshan Rao is a distinguished professional with a unique blend of expertise in the insurance industry and Information and Communication Technology (ICT). With over 10 years of experience in both fields, Dr. Rao has developed a comprehensive understanding of how technology can revolutionize the insurance sector and empower professionals to deliver better services. As a resource person for the ICT trainee program at Best Insurance Services, Dr. Rao provides invaluable insights into the integration of ICT solutions in the insurance world. His training sessions cover various aspects, such as the use of data analytics, automation, and customer relationship management (CRM) tools within insurance services. His knowledge of emerging technologies like artificial intelligence (AI), blockchain, and cloud computing enables trainees to understand their practical applications in solving industry-specific challenges.</p>	
Description	<p>The Department of MCA organized a 2-day workshop on Advanced Word as part of its initiative to enhance proficiency in the latest trends of computer technology. The workshop was conducted by Technology Expert Dr. B Sudharshan Rao from Best Insurance Services.</p> <p>On Day 1, participants explored advanced formatting and layout techniques. They learned how to use styles and themes for creating consistent and professional document presentations, and also delved into complex layout options such as multi-column formatting and advanced table designs. Additionally, the session covered creating and applying custom templates, which allowed attendees to standardize document formats and save time on repetitive tasks.</p> <p>Day 2 focused on collaboration and automation features. Participants gained hands-on experience with Word's review tools, including track changes, comments, and version control, which streamlined document collaboration and feedback processes. The day also introduced automation techniques, such as using macros to reduce repetitive tasks.</p>

Description	<p>In order to Bring the Awareness among post graduate students for thriving opportunities according to market changing environment. Aurora's PG college (MCA) held an Seminar on Investment in Stock Trading by Mr. Ravi Kumar from Best Insurance Services a prominent stock analyst.</p> <p>Employment in this field offers a structured environment with potential for high earnings, performance-based bonuses, and career advancement. Professional traders often work for investment banks, hedge funds, brokerage firms, or asset management companies, contributing to the financial health and growth of these organizations.</p> <p>stock trading allows individuals to operate independently, managing their own investments and strategies. Entrepreneurial traders have the flexibility to set their own schedules, pursue innovative trading strategies, and potentially achieve substantial financial gains. This path requires significant self-discipline, continuous learning, and risk management skills. Successful entrepreneurial traders can scale their operations, offering advisory services, launching hedge funds, or developing trading algorithms, thereby creating additional revenue streams</p> <p>Stock trading can serve both as a form of employment and a pathway to entrepreneurship, offering diverse opportunities for financial growth and professional development</p> <p>Both employment and entrepreneurial avenues in stock trading offer unique challenges and rewards. Whether as a structured career or an independent venture, stock trading provides opportunities for financial independence, professional growth, and continuous learning in the dynamic world of finance.</p>

**ACTIVITY REPORT**

Name of the Activity	Seminar on Adaptability and Critical Thinking	
Type of Activity	Capacity building and skills enhancement activity	
Date and Time of Activity	17-07-2019	1:30 PM-03:00 PM
Details of Participants	Students from II year MBA II&II year MCA	
Organizing Dept. /Support System	Organised by Entrepreneurship and Development Cell in Collaboration C CUBE	
Details of Resource Persons	<p>Dr. C. B. Ramanand is a soft skills trainer who specializes in personal and professional development, offering valuable training in areas such as communication, leadership, and emotional intelligence. With a focus on practical application.</p> <p>Dr. C. B. Ramanand's programs are designed to help individuals and organizations enhance their skills and performance in the workplace and beyond. He is known for his engaging and interactive training sessions, where he uses real-life examples, case studies, and hands-on exercises to ensure that participants can directly apply the concepts learned. He works with professionals, students, and organizations to help them develop essential soft skills for success.</p>	
Description	<p>To prepare postgraduate students for the challenges posed by a rapidly changing market environment, Aurora's PG College (MCA) organized a seminar on Adaptability and Critical Thinking, led by Dr. C. B. Ramanand from C CUBE.</p> <p>Adaptability and critical thinking are essential skills in today's dynamic world. Adaptability enables individuals to respond effectively to changing circumstances, shifting priorities, and unexpected challenges. It involves being open to new ideas, adjusting strategies quickly, and staying resilient in the face of uncertainty. This skill is particularly crucial in workplaces where change is constant, allowing employees to maintain productivity and find solutions even when faced with obstacles.</p> <p>Critical thinking complements adaptability by fostering strong analytical and evaluative skills. It encourages individuals to assess situations logically, weigh evidence, consider multiple perspectives, and make informed decisions. Together, adaptability and critical thinking equip individuals to navigate complexity, solve problems creatively, and continuously learn.</p>	

from new experiences.

By combining these two skills, individuals and teams are better prepared to tackle challenges, seize opportunities, and drive innovation. In an ever-evolving world, adaptability and critical thinking are key to both personal and professional growth.

Details of Participants	Students from MBA and MCA , 1 st and 2 nd year	
Organizing Dept /Support System	Aurora's PG College (MCA)	
Details of Resource Persons	Pavan Kumar Thimmaraju, Samskruthi Fondation	
Description	<p>The activity on Human Values and Meditation emphasized cultivating ethical behavior, empathy, and mindfulness through guided meditation practices by Pavan Kumar Thimmaraju in association with Samskruthi Fondation. Participants engaged in discussions and exercises that explored core human values such as compassion, integrity, and respect for others. Meditation sessions focused on developing self-awareness, inner peace, and emotional resilience. Through reflective practices, participants learned to manage stress, enhance mental clarity, and foster positive interpersonal relationships. The program aimed to integrate these values into daily life, encouraging participants to lead with kindness, maintain inner balance, and contribute positively to their communities.</p> <p>The second part of the activity focused on meditation, specifically techniques aimed at enhancing self-awareness and inner peace. Participants were guided through various meditation practices, including mindfulness meditation and loving-kindness meditation, which helped them connect with their inner selves and develop a calm, focused mind. The meditation sessions emphasized the importance of regular practice for managing stress, improving concentration, and fostering emotional resilience.</p> <p>Throughout the activity, participants learned how human values and meditation are interconnected, with the practice of meditation helping to reinforce and embody these values in daily life. By the end of the session, participants reported a greater sense of clarity, peace, and a deeper understanding of how to live in alignment with their core values, contributing positively to their personal growth and community.</p>

Name of the Activity	Impact of Yoga on Work Life Balance of Working Women	
Type of Activity	Women Empowerment Cell	
Date and Time of Activity	21/06/2023	2.00pm
Details of Participants	Students & staff Members	
In Association With	Samskruthi Foundation	
Coordinator	Mrs.S.Soni	
Description	<p>The Orientation Program on Enhancing Work-Life Balance through Yoga for Working Women, organized by Aurora's PG College (MCA) in collaboration with Samskruthi Foundation, achieved remarkable success. Under the guidance of esteemed Yoga instructor Mrs.S.Soni, the program delivered invaluable insights into the advantages of Yoga and provided practical training in Yoga asanas to a diverse group of approximately 160 students and 18 faculty members. Participants emerged with a deeper comprehension of how Yoga can assist them in harmonizing the demands of their professional and personal lives, thereby enabling them to lead healthier and more balanced lifestyles. The partnership between the MBA and MCA programs and the Women Empowerment Cell underscores the college's steadfast dedication to holistic well-being and gender equality. The program aimed to introduce students and faculty of MBA and MCA programs to the profound impact of Yoga on work-life balance, while also raising awareness about its multifaceted benefits in promoting physical, mental, and emotional well-being. By providing practical training in Yoga asanas, the initiative empowered participants to seamlessly integrate Yoga into their daily routines. As a result of their participation, attendees developed an enhanced understanding of Yoga's role in achieving work-life equilibrium and gained proficiency in Yoga principles and techniques, including hands-on experience with Yoga asanas. Moreover, they gained heightened awareness of the unique challenges faced by working women and how Yoga serves as a potent tool in addressing these challenges. Ultimately, participants were empowered to embrace Yoga as a means to manage stress and cultivate overall well-being in their lives.</p>

Description	<p>The Orientation Program on the The Effect of Yoga on the Work Life Balance of Women in the Work, held on June 21, 2022, at Aurora's PG College (MCA) in collaboration with Samskruthi Foundation, left a lasting impression as a resounding success. Guided by the esteemed Yoga instructor Mrs.S.Soni , the program attracted enthusiastic participation from approximately 160 students and 18 faculty members. Throughout the event, attendees were immersed in valuable insights into the myriad benefits of Yoga, coupled with hands-on training in Yoga asana. This practical approach empowered participants with the necessary tools to seamlessly incorporate Yoga into their daily routines, thereby fostering a healthier and more balanced lifestyle. The partnership between the MBA and MCA programs and the Women Empowerment Cell underscored the college's unwavering commitment to holistic wellness and gender equality. Introduce students and faculty to the transformative effects of Yoga on work-life equilibrium, particularly for working women. Raise awareness about Yoga's holistic benefits, encompassing physical, mental, and emotional well-being. Provide practical training in Yoga asana, equipping participants with tangible skills to embrace Yoga as a daily practice. Foster an increased understanding of Yoga's pivotal role in achieving harmony between professional obligations and personal life. Enhance participants' knowledge of Yoga principles and techniques, bolstered by hands-on experience in Yoga asanas.</p>

Description	<p>On 19/08/2020, a webinar titled "Nutrition and Healthy Living" was conducted, focusing on promoting healthier lifestyles through balanced nutrition in association with Samskruthi Foundation by P. Naga Raj. The session featured experts in the field, including registered dietitians and health coaches, who shared insights on the importance of maintaining a nutritious diet and regular physical activity to improve overall well-being.</p> <p>The webinar covered several key topics, including the benefits of consuming whole foods, managing portion sizes, and understanding essential nutrients like proteins, vitamins, and minerals. The speakers also addressed common dietary misconceptions, the impact of processed foods, and how to create sustainable, healthy eating habits. Additionally, they provided practical tips on meal planning, hydration, and incorporating more fruits and vegetables into daily diets.</p> <p>Attendees were encouraged to ask questions, and a lively Q&A session followed, allowing participants to seek personalized advice on improving their eating habits. The event concluded with a call to action for everyone to adopt small but impactful changes in their daily lives to promote long-term health and prevent chronic illnesses. Overall, the webinar was well-received, providing valuable knowledge and motivation to lead a healthier lifestyle.</p>

ACTIVITY REPORT

Name of the Activity	Training Program on IT Fundamentals	
Type of Activity	Co- Curricular	
Duration of Activity	From: 05.02.2024	To: 17.02.2024
Details of Participants	MBA II Year Students	
Coordinator(s)	Faculty: Mr.P.Durga Prasad	
Organizing Department/ Support System	MBA Department in association with ExcelR Solutions	
Details of Resource Persons (if any)	Ms M Kalpana Reddy	
Description (min. 100 words, include objective, outcome, etc.)	<p>Aurora's PG College (MCA) in association with ExcelR Solutions successfully hosted a Training Program on IT Fundamentals from February 5, 2024, to February 17, 2024. This comprehensive program was designed to provide students with a solid foundation in essential IT concepts and skills necessary for both academic and professional success. The program commenced with an overview of fundamental IT concepts, including hardware, software, and network basics. Participants were introduced to computer architecture, operating systems, and essential software applications. The curriculum covered key topics such as file management, system security, and troubleshooting techniques. Practical exercises involved configuring system settings, managing software installations, and performing basic maintenance tasks. The program also included an introduction to programming concepts, where students learned basic coding principles. A significant component of the training was dedicated to understanding network fundamentals. Students explored networking concepts such as IP addressing, subnetting, and network protocols. They engaged in practical exercises on setting up and configuring network devices, ensuring they acquired essential skills for managing and troubleshooting network issues. Feedback from participants highlighted the program's effectiveness in enhancing their technical skills and preparing them for further studies or entry-level IT roles. Overall, the Training Program on IT Fundamentals was a successful initiative, equipping students with critical IT skills and knowledge for their future careers.</p>

Type of Activity	Soft skills	
Date and Time of Activity	28/07/2023	1:30 PM-03:30 PM
Details of Participants	Students from 2 nd year MBA and MCA	
Organizing Dept /Support System	Organised by Training and Placement	
Details of Resource Persons	Dr. B. Santhosh Kumar, Kapil Guru	
Description	<p>In order to prepare the post graduate students for challenges according to market changing environment. Aurora's PG college (MCA) held an orientation session on Time Management and Prioritization. By Dr. B. Santhosh Kumar from Kapil Guru</p> <p>In the current fast-paced market environment, effective time management and prioritization are crucial for maintaining competitiveness and achieving success. With rapidly changing market conditions, businesses need to optimize productivity. Efficient time management ensures that high-priority tasks are completed first, maximizing output and minimizing wasted effort. The ability to swiftly respond to new trends and opportunities requires clear prioritization. Organizations that manage time well can quickly pivot and adapt, staying ahead of competitors. The pressure to meet tight deadlines and deliver results can lead to burnout. Proper time management helps distribute workloads evenly, reducing stress and enhancing employee well-being, which is critical for maintaining high performance levels.</p> <p>In a market where timely execution is key, prioritizing tasks aligned with strategic goals ensures that organizations meet deadlines, fulfill commitments, and achieve long-term objectives. Overall, time management and prioritization are essential for thriving in the dynamic, high-pressure landscape of modern business.</p>

ACTIVITY REPORT

Name of the Activity	Training Program on Generative AI	
Type of Activity	Co-Curricular	
Duration of Activity	From: 01.03.2023	To: 10.03.2023
Details of Participants	MCA II Year Students	
Coordinator(s)	Faculty: Ms. S. Soni	
Organizing Department/ Support System	MCA Department in association with Kapil Guru	
Details of Resource Persons (if any)	Mr. R. Raj Vamshi	
Description (min. 100 words, include objective, outcome, etc.)	<p>From March 1 to March 10, 2023, Aurora's PG College (MCA) conducted a cutting-edge Training Program on Generative AI in association with Kapil Guru, aimed at equipping students with the skills and knowledge necessary to navigate this rapidly evolving field. As Generative AI continues to reshape industries and influence various domains, this program offered an invaluable opportunity for participants to gain insights into its applications and underlying technologies. The curriculum covered a wide range of topics, including the fundamentals of artificial intelligence, machine learning algorithms, and the intricacies of generative models such as GANs (Generative Adversarial Networks) and VAEs (Variational Autoencoders). Participants participated in interactive workshops where they explored various applications of Generative AI, from image synthesis and text generation to audio creation. These sessions provided students with the opportunity to work on real-world projects, enhancing their understanding of how to implement generative techniques effectively. Collaboration was encouraged, fostering a creative environment where students could share ideas and insights, ultimately enriching the learning experience. The program also placed a strong emphasis on ethical considerations, discussing the implications of Generative AI in society, including issues related to bias, misinformation, and copyright. This aspect was crucial in preparing students to approach their future work responsibly. Upon completion of the training, participants received certificates that recognized their proficiency in Generative AI, boosting their employability in a competitive job market. The Training Program on Generative AI was a remarkable success.</p>

Details of Resource Persons	K. Praveen / Kapil Guru	
Description	<p>In order to prepare the post graduate students for challenges according to market changing environment. Aurora's PG college (MCA) held a seminar session on Critical Thinking and Conflict Resolution in association with Kapil Guru by K Praveen.</p> <p>The activity on Critical Thinking and Conflict Resolution focused on equipping participants with essential skills to navigate complex situations and resolve disputes effectively. The session began with an introduction to critical thinking, highlighting its importance in analyzing problems, making informed decisions, and avoiding cognitive biases. Participants engaged in exercises that encouraged them to question assumptions, evaluate evidence, and consider multiple viewpoints before reaching conclusions.</p> <p>The second part of the activity centered on conflict resolution techniques. Through role-playing scenarios, participants practiced identifying the underlying causes of conflicts, using active listening, and communicating clearly to de-escalate tense situations. The session also covered various conflict resolution strategies, such as negotiation, mediation, and collaborative problem-solving, emphasizing the importance of maintaining respect and empathy during disputes.</p> <p>By the end of the session, participants reported a better understanding of how to apply critical thinking in both their personal and professional lives, as well as increased confidence in their ability to resolve conflicts constructively. The activity emphasized that critical thinking and effective conflict resolution are interconnected skills that contribute to better teamwork, decision-making, and overall workplace harmony.</p>

Description	<p>In order to prepare the post graduate students for challenges according to market changing environment and enhancement of thriving competition. Aurora's PG college (MCA) held a orientation session on soft skills R. Madhan / iFocus</p> <p>Soft Skills are essential interpersonal and communication abilities that complement technical skills in the workplace. The ability to convey ideas clearly and effectively, both verbally and in writing, is crucial in any professional setting. This includes listening actively and being able to articulate thoughts concisely. Collaborating effectively with others towards a common goal demonstrates adaptability, empathy, and cooperation. It involves being open to others' perspectives, contributing your own expertise, and resolving conflicts constructively.</p> <p>Problem solving skills involves identifying challenges, analyzing situations, and developing effective solutions. It requires critical thinking, creativity, and the ability to evaluate options to reach the best outcome.</p> <p>In a rapidly changing work environment, being adaptable means being flexible and open to learning new skills and approaches. It also involves resilience in the face of setbacks and the ability to thrive in diverse situations. Leadership skills encompass the ability to inspire, motivate, and guide others towards achieving common goals. Effective leaders also demonstrate integrity, decision-making process, and the capacity to delegate tasks effectively. Being able to prioritize tasks, manage deadlines, and allocate resources efficiently is crucial for productivity and success in any role. Time management skills involve planning, organization, and the ability to stay focused amidst distractions. Conflict is inevitable in any workplace, but the ability to resolve disputes diplomatically and constructively is invaluable. This involves active listening, empathy, negotiation, and the ability to find mutually acceptable solutions.</p> <p>She gave insights to pupils to practice these soft skills in day to day activities and implement skills for having best career paths</p>

Name of the Activity	Seminar on Critical Thinking and Conflict Resolution	
Type of Activity	Soft skills	
Date and Time of Activity	26/07/2021	02.00 PM-04:00 PM
Details of Participants	Students from 1 st year MBA and MCA	
Organizing Dept /Support System	Organized by Training and Placement	
Details of Resource Persons	K Priyanka / Internshala, +91 124 4367427	
Description	<p>In order to prepare the post graduate students for challenges according to market changing environment. Aurora's PG college (MCA) held a seminar session on Critical Thinking and Conflict Resolution by K Priyanka, Internshala.</p> <p>The activity on Critical Thinking and Conflict Resolution focused on equipping participants with essential skills to navigate complex situations and resolve disputes effectively. The session began with an introduction to critical thinking, highlighting its importance in analyzing problems, making informed decisions, and avoiding cognitive biases. Participants engaged in exercises that encouraged them to question assumptions, evaluate evidence, and consider multiple viewpoints before reaching conclusions.</p> <p>The second part of the activity centered on conflict resolution techniques. Through role-playing scenarios, participants practiced identifying the underlying causes of conflicts, using active listening, and communicating clearly to de-escalate tense situations. The session also covered various conflict resolution strategies, such as negotiation, mediation, and collaborative problem-solving, emphasizing the importance of maintaining respect and empathy during disputes.</p> <p>By the end of the session, participants reported a better understanding of how to apply critical thinking in both their personal and professional lives, as well as increased confidence in their ability to resolve conflicts constructively. The activity emphasized that critical thinking and effective conflict resolution are interconnected skills that contribute to better teamwork, decision-making, and overall workplace harmony.</p>

Name of the Activity	Orientation Session by Women Welfare	
Type of Activity	Women Empowerment Cell	
Date and Time of Activity	05/01/2023	12:30 PM
Details of Participants	Students & Staff Members	
In association with	ALEAP	
Coordinator	Mrs.S.Soni	
Description	<p>The orientation program by Women Welfare held at Aurora's PG College (MCA) on January 5, 2023, orchestrated by ALEAP stands as a significant initiative aimed at addressing the multifaceted aspects of women's well-being and empowerment. With Mrs.A. Swathi at the helm as the coordinator, the program likely played a pivotal role in fostering discussions and actions geared towards advancing women's welfare. Commencing at 12:30 PM, the orientation program served as a pivotal platform for delving into a spectrum of issues pertinent to women's empowerment. Topics covered may have spanned gender equality, women's rights, health and wellness, educational and career opportunities, legal awareness, and strategies for personal and professional development. The collaboration between the Women Empowerment Cell and other relevant stakeholders underscored the college's steadfast commitment to promoting gender equality and fostering the empowerment of women. By harnessing collective efforts and resources, the program aimed to equip women with the necessary education, tools, and support to navigate challenges, advocate for themselves, and pursue their aspirations with confidence. Ultimately, the orientation program exemplified the college's dedication to creating an inclusive and supportive environment conducive to the holistic development and empowerment of all individuals, particularly women. Through education, awareness, and proactive initiatives, the program endeavored to catalyze positive change and contribute to the realization of a more equitable and empowered society.</p>

Description	<p>In order to Bring the Awareness among post graduate students for thriving opportunities according to market changing environment. Aurora's post graduate college (MCA) held an Awareness Program on Investment in Stock Trading by Mr. Murlidhar a prominent stock analyst from Fintopedia. Stock trading allows individuals to operate independently, managing their own investments and strategies. Entrepreneurial traders have the flexibility to set their own schedules, pursue innovative trading strategies, and potentially achieve substantial financial gains. This path requires significant self-discipline, continuous learning, and risk management skills. Successful entrepreneurial traders can scale their operations, offering advisory services, launching hedge funds, or developing trading algorithms, thereby creating additional revenue streams</p> <p>Stock trading can serve both as a form of employment and a pathway to entrepreneurship, offering diverse opportunities for financial growth and professional development.</p> <p>Employment in this field offers a structured environment with potential for high earnings, performance-based bonuses, and career advancement. Professional traders often work for investment banks, hedge funds, brokerage firms, or asset management companies, contributing to the financial health and growth of these organizations</p> <p>Both employment and entrepreneurial avenues in stock trading offer unique challenges and rewards. Whether as a structured career or an independent venture, stock trading provides opportunities for financial independence, professional growth, and continuous learning in the dynamic world of finance.</p>

ACTIVITY REPORT

Name of the Activity	Online Workshop on Advanced Excel	
Type of Activity	Trends in technology	
Date and Time of Activity	16/09/2020-19/09/2020	10:30AM-12:00PM
Details of Participants	Students from II year MBA and MCA	
Organizing Dept /Support System	Organised by Training and Placement in Collaboration with Fintopedia	
Details of Resource Persons	It appears that you're referring to K. Rama Krishna as an ICT trainee. While I don't have specific details about K. Rama Krishna in the current context, an ICT (Information and Communication Technology) trainee generally refers to an individual who is undergoing training in various aspects of technology, particularly related to information systems, communications, and software tools.	
Description	<p>The Department of MCA hosted a 4-day workshop on Advanced Excel from 16/09/2020 to 19/09/2020, aimed at enhancing participants' proficiency in data management, analysis, and automation. Led by Technology Expert K. Rama Krishna from Fintopedia, the workshop attracted professionals from various sectors eager to boost their Excel expertise.</p> <p>Day 1 introduced advanced Excel functions such as VLOOKUP, HLOOKUP, INDEX-MATCH, and IFERROR, equipping participants with powerful tools to manage and analyze large datasets efficiently. On Day 2, the focus shifted to data analysis techniques, including PivotTables and PivotCharts, helping participants summarize and interpret complex data sets.</p> <p>Day 3 covered automation tools, including Macros and Visual Basic for Applications (VBA), enabling attendees to automate repetitive tasks and improve efficiency. The final day featured hands-on exercises, allowing participants to apply the learned concepts in real-time scenarios. The workshop concluded with a certification ceremony, where attendees were awarded certificates for their newly acquired skills.</p>	

	<p>Participant feedback was overwhelmingly positive, with attendees highlighting the practical applications, interactive sessions, and expert guidance as the standout features of the workshop.</p>

Details of Resource Persons	V Niranjana Rao / Fintopedia	
Description	<p>In order to Bring the Awareness among post graduates students for thriving opportunities according to market changing environment. Aurora's PG college (MCA) held an Awareness Program on Investment in Stock Trading by V Niranjana Rao from Fintopedia a prominent stock analyst through google meetings.</p> <p>Employment in this field offers a structured environment with potential for high earnings, performance-based bonuses, and career advancement. Professional traders often work for investment banks, hedge funds, brokerage firms, or asset management companies, contributing to the financial health and growth of these organizations.</p> <p>stock trading allows individuals to operate independently, managing their own investments and strategies. Entrepreneurial traders have the flexibility to set their own schedules, pursue innovative trading strategies, and potentially achieve substantial financial gains. This path requires significant self-discipline, continuous learning, and risk management skills. Successful entrepreneurial traders can scale their operations, offering advisory services, launching hedge funds, or developing trading algorithms, thereby creating additional revenue streams</p> <p>Stock trading can serve both as a form of employment and a pathway to entrepreneurship, offering diverse opportunities for financial growth and professional development</p> <p>Both employment and entrepreneurial avenues in stock trading offer unique challenges and rewards. Whether as a structured career or an independent venture, stock trading provides opportunities for financial independence, professional growth, and continuous learning in the dynamic world of finance.</p>

ACTIVITY REPORT

Name of the Activity	Training Program on Data Science with Python	
Type of Activity	Co-Curricular	
Duration of Activity	From: 21.03.2022	To: 31.03.2022
Details of Participants	MCA I Year Students	
Coordinator(s)	Faculty: Ms. K. Sangeetha	
Organizing Department/ Support System	MCA Department in association with Magic Bus	
Details of Resource Persons (if any)	Mr. D. Ram Prasad	
Description (min. 100 words, include objective, outcome, etc.)	<p>From March 21 to March 31, 2022, Aurora's PG College (MCA) in association with Magic Bus successfully conducted a comprehensive Training Program on Data Science with Python, designed to equip students with the essential skills and knowledge needed to thrive in the data-driven world. As data science continues to play a pivotal role in decision-making across various industries, this program provided participants with a robust foundation in data analysis and machine learning using Python. The curriculum was carefully structured to cover key topics such as data manipulation, data visualization, statistical analysis, and machine learning algorithms. Students were introduced to popular Python libraries, including Pandas, NumPy, Matplotlib, and Scikit-learn, which are vital for performing data analysis and building predictive models. Interactive workshops were a core component of the training, allowing students to engage in hands-on activities and real-world projects. Participants collaborated in teams to analyze datasets, visualize trends, and build machine learning models. This collaborative approach not only enhanced their technical capabilities but also fostered teamwork and critical thinking skills. Throughout the program, students were encouraged to explore ethical considerations in data science and the implications of data-driven decision-making. By the end of the course, participants showcased their learning through presentations and project demonstrations, illustrating their proficiency in using Python for data science applications. Overall, the Training Program on Data Science with Python was a significant success, empowering students with valuable skills that align with industry demands.</p>
