

Internal Quality Assurance Cell

Internal Quality Assurance Cell (IQAC) of the institution is aimed at ensuring the continuous improvement of the quality of education and the overall institutional functioning.

Objectives:

- To develop a system for conscious, consistent, and catalytic improvement in the performance of the institution.
- To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.
- To set benchmarks for academic and administrative activities.

Functions:

- Establishing and applying quality benchmarks/parameters for various academic and administrative activities.
- Facilitating the creation of a learner-centric environment and collecting and analyzing feedback from all stakeholders (students, parents, teachers, etc.).
- Sharing information on various quality parameters of higher education.
- Organizing inter and intra-institutional workshops and seminars on quality-related themes.
- Documenting various programs/activities leading to quality improvement.
- Conducting academic and administrative audits and following up on the implementation of recommendations.
