

TRAINING & PLACEMENT CELL

Ref. No: APGCU/2024-25/TPC

Date: 01/11/2024

The Training & Placement Cell (TPC) is a dedicated unit within the college focused on preparing students for their professional careers and facilitating their placement in suitable job roles. The TPC aims to bridge the gap between academic learning and industry requirements by providing comprehensive training and placement support.

OBJECTIVES OF THE CELL

- **Enhance Employability Skills:** Organize training programs to improve students' soft skills, technical abilities, and interview techniques, making them more competitive in the job market.
- **Facilitate Campus Placements:** Coordinate with companies to conduct campus recruitment drives, ensuring students have access to a wide range of job opportunities.
- **Provide Career Guidance:** Offer personalized career counseling to help students identify suitable career paths based on their skills and interests.
- **Internship Opportunities:** To help students secure internships in industry, providing them with practical exposure and experience in their respective fields.
- **Establish Industry Connections:** Build and maintain relationships with industries to create opportunities for internships, projects, and collaborations that benefit students.
- **Maintain Placement Records:** Keep accurate records of placement activities, including student placements and recruiter feedback, to monitor progress and plan future initiatives.

MEMBER DETAILS OF THE CELL:

S.No.	Name	Designation	Position
1	Mrs. P. Sai Jahnavi	Assistant Professor	Coordinator
2	Mrs. M. Sunitha	Assistant Professor	Member
3	Mr. J. Naveen	Student Coordinator	Member
4	Ms. B. Prajwala	Student Coordinator	Member
5.	Mr. T. Kiran	Assistant Professor	Member
6.	Ms. M. Sandhya Rani	Assistant Professor	Member
7.	Mr. M. Krishnam Raju	Assistant Professor	Member
8.	Mr. P. Siva Subramanyam	Assistant Professor	Member
9.	Pawar Nikhil	Assistant Professor	Member
10.	S. Akhila	Assistant Professor	Member

RESPONSIBILITIES OF THE CELL

- Offer career counseling services to help students understand their career options, set goals, and plan their career paths effectively.
- Organize training programs, workshops, and seminars to develop essential skills such as resume writing, interview techniques, and soft skills.
- Build and maintain relationships with industry partners and employers to create opportunities for internships, job placements, and recruitment drives.
- Coordinate campus recruitment drives, job fairs, and interviews to facilitate students' placement in relevant job roles.
- Facilitate and manage internship opportunities that provide students with practical experience and enhance their employability.
- Leverage the alumni network to support current students with mentorship, networking, and job placement opportunities.
- Collect feedback from students and employers to continuously improve training and placement services, ensuring they meet the needs of both parties.

The Training & Placement Cell is essential for preparing students for their future careers and ensuring a successful transition from academic life to the professional world. By offering career counseling, skill development programs, and effective placement services, the TPC enhances students' employability and supports their professional growth. Its efforts contribute to a strong linkage between the college and industry, fostering career opportunities and helping students achieve their career aspirations.
