

WOMEN EMPOWERMENT CELL

Ref. No: APGCU/2024-25/WEC

Date: 04/11/2024

The Women Empowerment Cell (WEC) is a dedicated body within the college aimed at promoting gender equality and empowering women. The WEC focuses on creating a supportive and inclusive environment, addressing gender-specific challenges, and providing opportunities for women to thrive academically, professionally, and personally.

OBJECTIVES OF THE CELL

- **Promote Gender Equality:** Advocate for gender equality within the institution by raising awareness about women's rights and addressing gender-based issues.
- **Enhance Women's Safety and Well-being:** Implement programs and workshops focused on women's health, safety, and well-being, including self-defense training and mental health support.
- **Foster Leadership and Empowerment:** Encourage women to take on leadership roles and **Provide Legal Awareness and Support:** Educate women about their legal rights and provide support for those facing harassment or discrimination, including access to legal resources.
- **Facilitate Educational and Career Advancement:** Support the educational and career growth of women through mentorship, scholarships, and networking opportunities.
- **Promote Awareness on Social Issues:** Organize campaigns and discussions on social issues affecting women, such as domestic violence, sexual harassment, and gender discrimination, to foster a more inclusive environment.

RESPONSIBILITIES OF THE CELL

- Promote awareness about gender equality issues and advocate for women's rights within the college community through campaigns, workshops, and seminars.
- Provide support services for female students and staff, including counseling, mentorship, and resources for addressing gender-related concerns and challenges.
- Organize training and development programs focused on building skills, confidence, and leadership abilities among women.
- Host events, guest lectures, and workshops that celebrate women's achievements, discuss gender issues, and promote female empowerment.
- Work on developing and implementing policies that ensure a safe and equitable environment for women, addressing issues such as harassment and discrimination.
- Facilitate networking opportunities with professionals, alumni, and industry leaders to support women's career advancement and personal growth.
- Collect feedback from women in the college community to continuously improve programs and services, ensuring they meet their needs effectively.

The Women Empowerment Cell is vital for fostering gender equality and supporting the empowerment of women within the college. By advocating for women's rights, providing support services, and organizing development programs, the WEC contributes to creating a more inclusive and equitable environment. Its efforts enhance the personal and professional growth of female students and staff, promoting a culture of respect and empowerment across the college community.
