RESPONSIBILITIES OF THE COMMITTEE

- Establish and oversee mentorship programs that connect students with experienced faculty and professionals to guide them in their academic and career pursuits.
- Provide individual and group counseling to address students' emotional, psychological, and personal challenges, ensuring their well-being and academic success.
- Offer career counseling services, including resume building, interview preparation, and job search strategies, to help students transition successfully from college to the workforce.
- Organize workshops and seminars on topics such as stress management, time management, and personal development to equip students with essential life skills.
- Develop and maintain support systems for students dealing with academic pressure, personal issues, or mental health concerns, providing a safe space for them to seek help.
- Gather feedback from students regarding mentoring and counseling services and use this information to continuously improve the support provided.

The Mentoring & Counselling Committee plays a crucial role in supporting students throughout their academic journey. By providing mentorship, counseling, and career guidance, the MCC helps students navigate challenges, develop essential skills, and achieve their goals. Its efforts contribute significantly to creating a nurturing and supportive environment that promotes overall student well-being and success.
